BECOME AN ALLY!

Finishing School for Modern Women, established in 2015, offers interactive classes on personal growth, business, finance, and communications to empower women of all ages, not because we need finishing...but because we're never finished.

It's mission is to inspire confidence through community and shared experiences, encouraging women to embrace their power and live happier, more successful lives on their terms.

Badass Women of Wichita Alliance, established in 2021, is a community of confident, bold women who know their own worth.

It's mission is to build community, support non-profits, and celebrate life through open conversations and actions. Weekly programs include panel discussions, classes, activities, fundraisers, and fun events, all at accessible pricing thanks to our Professional Allies.

THANK YOU TO OUR ACTIVE ALLIES!
